by Las Vegas Valley Water District to appropriate the
Printed or typed name of applicant

waters of underground source situated in Clark
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

1. It is unfair, unjust, and unconscionable to allow a powerful entity to take the water and place a stranglehold on development in this rural area.

2. It is very likely that water from this area crosses into the Pahrump or Amargosa aquifers. It would be difficult or impossible to prove otherwise. Exportation of water by virtue of Application #54064 may seriously impair the recharge in these aquifers which are said to already be overly appropriated.

3. The undersigned additionally incorporates by reference as though fully set forth herein and adopts as his own, each and every other protest to the subject application filed pursuant to NRS 533.365.

THEREFORE the protestant requests that the application be DENIED
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
