waters of Underground situated in Washoe
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The point of diversion, as listed in the public notice, is located on public land managed by the Winnemucca Field Office of the Bureau of Land Management. To date, the applicant has not applied for, nor have they received a right of way for legal access to the lands described in the application. Furthermore, the cumulative affect of this application, in conjunction with the other 17 applications that the applicant has filed in this same region, may inhibit other multiple uses of the public lands. Other uses which are currently occurring within this region include: Livestock grazing, Wildhorses, recreation, and wildlife.

THEREFORE the protestant requests that the application be Denied, pending further analysis of the water resource capabilities of the area.
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
