PROTEST

STATE ENGINEER'S OFFICE

Comes now David Hussman
Printed or typed name of protestant
whose post office address is 1250 Hwy 395 North Gardnerville Nv 89410
Street No. or P.O. Box, City, State and Zip Code
whose occupation is rancher, and protests the granting
of Application Number 70885, filed on February 19, 2004
by Park Cattle Company to appropriate the
Printed or typed name of applicant
waters of East Fork Carson River situated in Douglas
Underground or name of stream, lake, spring or other source
County, State of Nevada, for the following reasons and on the following grounds, to wit:

Applicant mentions the 1/3 - 2/3 provision of the Alpine Decree with an eye toward possible change of this provision. Since this change of diversion point would be to the Upper New Virginia, I wonder why the Allerman Canal is brought into this. I can only conclude that applicant wishes to "double dip" from the river.

THEREFORE the protestant requests that the application be denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
