whose post office address is HC31 Box 35 Elko, NV. 89801
(Street No. Or P.O. Box, City, State and Zip Code)
whose occupation is Vice President / Xtra Airways and protests the granting
of Application Number 73953, filed on July 23, 20 06
by Elko County to appropriate the
waters of Mt. City Hwy Area R-225 situated in Elko, NV. / Elko County
(Underground or name of stream, lake, spring or other source)
County, State of Nevada, for the following reasons and on the following grounds, to wit:

There is a direct connection between the Ground Water Elko County will be pumping and our domestic wells in this area. Not only will it affect our wells but also, it could affect our surface waters, springs, seeps, and the aquifer. It could not only have an impact on our domestic use and our livelihood but it could also effect livestock, wildlife and increase fire danger due to less water supply for forage, vegetation, soil, and the rangelands we call home. We also will want to protect our water for our area and not allow it to be pump out to other counties and cities. To my knowledge no research or testing has been done to evaluate if the aquifer is the same one as our wells run off of or what the impact of the pumping of the proposed well will do to our ground water supply. The families in this area have invested a lot of time and money in their wells and land that they have to maintain on their own. The proposed well could have yet another financial and hardship burden to local homeowners.

THEREFORE the Protestant requests that the application be Denied / Subject to Prior Use / Rights
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
