APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of an underground source as heretofore granted under Permit 34880 is issued subject to the terms and conditions imposed in said Permit 34880 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

No perforations shall be put in the production casing from ground level to 100 feet.

The total combined acreage under this permit and Permits 47594, 47595, 47596 and 47598 shall not exceed 427 acres as shown on the supporting map.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.7 cubic feet per second, but not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources and not to exceed 640 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before April 9, 1985

Proof of completion of work shall be filed before May 9, 1985

Application of water to beneficial use shall be made on or before April 9, 1986

Proof of the application of water to beneficial use shall be filed on or before May 9, 1986

Map in support of proof of beneficial use shall be filed on or before May 9, 1986

Completion of work filed JUN 06 1985

IN TESTIMONY WHEREOF, I PETER G. MORROS, State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed.....

my office, this 6th day of July
