.....APPROVAL..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This Permit to change the point of diversion, place of use and manner of use of the waters of an underground source as heretofore filed under Proof of Appropriation No. 03970. Proof of Appropriation No. 03970 is subject to a final determination under the adjudication procedures of NRS 533. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This Permit is limited to 140 acre-feet annually for irrigation on 136 acres as described by the place of use.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not

to exceed.....0.736.....cubic feet per second.. but not to exceed a.....

yearly duty of 5.0 acre-feet per acre of land irrigated from any and/or all sources, but not to exceed 140 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before.....December 28, 1985.....

Proof of completion of work shall be filed before.....January 28, 1986.....

Application of water to beneficial use shall be made on or before.....December 28, 1986.....

Proof of the application of water to beneficial use shall be filed on or before.....January 28, 1987.....
