APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

It is assumed by the approval of this application that the waters sought to be appropriated are not percolating and therefore come within the jurisdiction of the State Engineer. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.5 cubic feet per second.

Actual construction work shall begin on or before December 30, 1920

Proof of commencement of work shall be filed before January 30, 1921

Work must be prosecuted with reasonable diligence and be completed on or before December 30, 1920

Proof of completion of work shall be filed before January 30, 1921

Application of water to beneficial use shall be made on or before October 30, 1922. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 30, 1922

WITNESS MY HAND AND SEAL this 30th day of October, 1920

J. E. Sanglaine
State Engineer
