IN THE OFFICE OF THE STATE ENGINEER

OF THE STATE OF NEVADA

1228

ORDER

WHEREAS, the annual water use inventory for the Carson Valley Hydrographic Basin and reported water use data have demonstrated that the wells subject to Permits 58765, 58766, 64972, 64989, 64990, 66340, 67374, and 70517 have been pumped in excess of the amount allocated by said permits in the years 2003 through 2012.

WHEREAS, a Finding of Alleged Violation and Violation Order 1224 were issued by the State Engineer on January 25, 2013, to the owners of record of said water right permits, in which it was ordered in part that meters be installed on all individual connections.

WHEREAS, an informational meeting, concerning the over-pumping of the wells that serve Sierra Country Estates Subdivision, was held on June 28, 2013, at the Nevada Division of Water Resources, Carson City, Nevada for interested parties, including property owners being served by the water system, in addition to the Respondents to Violation Order 1224.

WHEREAS, during the informational meeting, the parties concluded that totalizing meters must be installed on each and every connection to the wells serving the Sierra Country Estates Subdivision in order to determine amounts of water being used on individual properties for comparison with the total amount being pumped from the wells.

WHEREAS, during the informational meeting it was found that, in addition to lots in the Sierra Country Estates Phase I and Phase II Subdivisions, connections to properties outside the subdivisions have been made to the system that must also be metered.

WHEREAS, it was represented to the State Engineer during the informational meeting that there are nine connections to drip lines for subdivision landscaping that should not use more than a total of one acre-foot annually.

NOW, THEREFORE, IT IS HEREBY ORDERED that the users of the water system, including but not limited to those identified as:

Joe & Elaine Flynn	205 Sierra Country Circle	1219-10-002-001
Coy Sanders	209 Sierra Country Circle	1219-10-002-002

Mike Pegram c/o Carson Valley Inn	256 Sierra Country Circle	1219-10-002-061

each, **within 60 days** of this order,

1. install and maintain a totalizing meter where their connection to the system is located,
2. provide totalizing meter model, serial number, date of installation, and initial reading to the Nevada Division of Water Resources, and
3. provide and maintain access to the same totalizing meter to staff of the Nevada Division of Water Resources.

The nine connections to the drip irrigation system for the subdivision landscaping are exempted from this order, but any other connections to the system must also have meters installed and maintained.

for K. L. Hall P.E.
JASON KING, P.E.
State Engineer

Dated this 18th day of July, 2013.
