Subject: Well Construction/Abandonment Summaries

Dear Tom:

Enclosed are copies of the well construction summaries for wells drilled in the City of Carlin and the City of Elko on May 18 and 19, 1989. A well abandonment report for Southern Pacific Transportation Company well SPT-22 is included.

If you should have any questions regarding these wells, please call me at (702) 829-1200.

Very truly yours,
