.....APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued for storage purposes only (secondary applications to be filed for use of stored waters) and is subject to any prior rights on the source. By filing of Proof of Completion of Work, as required under conditions of the permit, secondary applications will be in order for approval so that applications of water to a beneficial use may be made.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....0.155.....cubic feet per second, but not to exceed 112.....acre-feet storage per year.....

Work must be prosecuted with reasonable diligence and be completed on or before.....May 22, 1989.....

Proof of completion of work shall be filed on or before.....June 22, 1989.....

Application of water to beneficial use shall be made on or before.....N/A.....

Proof of the application of water to beneficial use shall be filed on or before.....N/A.....

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed.....

Proof of beneficial use filed.....

Cultural map filed.....

Certificate No..... Issued.....
