APPROVAL..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of the waters of an underground source as heretofore granted under Permit 29962 is issued subject to the terms and conditions imposed in said Permit 29962 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 01322, 03023, 50919, 50920, 50921, 50922, 50923 and 50924 shall not exceed 4507.88 acre-feet annually for the irrigation of 1126.97 acres within the described place of use.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not

to exceed 5.5544 cubic feet per second, but not to exceed 3554.8 acre feet annually, and not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before February 2, 1991.

Proof of completion of work shall be filed before March 2, 1991.

Application of water to beneficial use shall be made on or before February 2, 1993.

Proof of the application of water to beneficial use shall be filed on or before March 2, 1993.

Map in support of proof of beneficial use shall be filed on or before March 2, 1993.

Completion of work filed APR 5 1991 IN TESTIMONY WHEREOF, I PETER G. MORROS, State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed SEP 27 1993 my office, this 2nd day of February
