APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of the waters of Truckee River as heretofore granted under Permit 14056, Certificate 6415 is issued subject to the terms and conditions imposed in said Permit 14056, Certificate 6415 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0375 cubic feet per second, but not to exceed 4.5 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before May 19, 1989  
Proof of completion of work shall be filed before June 19, 1989  
Application of water to beneficial use shall be made on or before May 19, 1990  
Proof of the application of water to beneficial use shall be filed on or before June 19, 1990  
Map in support of proof of beneficial use shall be filed on or before June 19, 1990

Completion of work filed AUG 23 1989  
Proof of beneficial use filed MAY - 2 1990
