APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

The total combined amount of water granted under this permit and Permit is limited to what the well covered under the permits is capable of producing. If certificates of appropriation are issued under this permit and Permit, the total combined amount of appropriation granted in said certificates shall not exceed what the well covered under the permits is capable of producing.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.008 cubic feet per second, but not to exceed 5.8 acre-
feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before January 12, 1992

Proof of completion of work shall be filed on or before February 12, 1992

Application of water to beneficial use shall be made on or before January 12, 1994

Proof of the application of water to beneficial use shall be filed on or before February 12, 1994

Map in support of proof of beneficial use shall be filed on or before February 12, 1994

Completion of work filed AUG 20 1990 IN TESTIMONY WHEREOF, I PETER G. MORROS

Proof of beneficial use filed APR 20 1994 State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 12th day of January
