Dear Mr. Bingham:

Re: WELL PLUGGING AND ABANDONMENT APPLICATION– 3000 CEDAR STREET, LAS VEGAS, NV – APN # 162-01-510-037- GMP # NONE, WELL LOG # ~~UNKNOWN~~

Thank you for your interest in the Las Vegas Valley Groundwater Management /Nevada Division of Water Resources (DWR) Unused Well Plugging and Abandonment Program. The DWR and the Las Vegas Valley Groundwater Management Program (LVV GMP) have partnered to identify and abandon orphan groundwater wells that are not currently in use and pose a potential hazard to the groundwater aquifer if not properly abandoned. It has been determined that your well at 3000 Cedar Street, Las Vegas, NV, is not considered an abandoned well and therefore is not eligible for grant funding under the Program. Responsibility for plugging and abandoning this well lies with the property owner.

Please contact the Nevada Division of Water Resources at (702) 486.2775 for further information regarding the requirements for plugging and abandoning this unused well.

If you have any questions regarding your application for well plugging and abandonment or the Las Vegas Valley Groundwater Management Well Conversion Program, please feel free to telephone me at 822-3317.

Sincerely,

Judy Laws
