..... APPROVAL OF STATE ENGINEER

This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of an underground source as heretofore granted under Permit 34946 is issued subject to the terms and conditions imposed in said Permit 34946 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a weir or other type of measuring device at or near the well to facilitate the measurement and control of the water. If well is flowing, a valve must be installed and maintained to prevent waste. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The well must be sealed with cement grout, concrete grout or neat cement from ground level to 100 feet.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second, but not to exceed 1320 acre-feet seasonally, and not to exceed a seasonal duty of 3.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before November 27, 1990

Proof of completion of work shall be filed before December 27, 1990

Application of water to beneficial use shall be made on or before March 1, 1992

Proof of the application of water to beneficial use shall be filed on or before April 1, 1992

Map in support of proof of beneficial use shall be filed on or before April 1, 1992

Completion of work filed DEC 20 1990 IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.,

Proof of beneficial use filed APR 29 1992 State Engineer of Nevada, have hereunto set my hand and the seal of my

Cultural map filed..... office, this 27th day of June

Certificate No. 13434 Issued JUL 28 1992 A.D. 1990
