To whom it may concern,

2019 SEP -9 AM 11:33

My wife, Chelsea, and I owned 2680 Olive Place until Aug 31, 2019, when we sold it to the Miceli Family Trust. Something needed to be filed at the end of 2018 to keep our permit and point of diversion intact, but the Nevada Division of Water Resources had an old address on file, so we did not receive notifications and were unaware. Rather than applying to have the water rights transferred back to us and then transferring to the buyer, we would like for them to go straight to the buyer. If you have any questions or need anything further, please contact me. Otherwise, please transfer everything associated with the 4 acre-feet of water rights to the trust detailed in the application
