APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of the waters of Squaw Spring as heretofore granted under Permit 36144 is issued subject to the terms and conditions imposed in said Permit 36144 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 53895 and 54502 shall not exceed 1280 acre-feet annually.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 2.0 cubic feet per second, but not to exceed 1280 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before..... November 4, 1993

Proof of completion of work shall be filed before..... December 4, 1993

Application of water to beneficial use shall be made on or before..... November 4, 1996

Proof of the application of water to beneficial use shall be filed on or before..... December 4, 1996

Map in support of proof of beneficial use shall be filed on or before..... December 4, 1996
