APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the point of diversion of a portion of the waters of Lamoille Creek as heretofore appropriated under Proof 00458 as appears in the Humboldt River Decree No. 2804 entered October 20, 1931 and October 7, 1935, in the District Court of the Sixth Judicial District of the State of Nevada, in and for the County of Humboldt, is issued subject to the terms, conditions and irrigation period imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on April 29, 1992 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.613 cubic feet per second, and not to exceed 393.51 acre-feet per season as decreed, and not to exceed a seasonal duty of 3 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....
