\*\*\*\*\*

**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place and manner of use of a portion of the waters of Silver Creek, as heretofore appropriated under Proof V02028 as adjudicated in the Matters of the Determination of the Relative Rights in and to the Waters of Silver Creek and its Tributaries, in the District Court of the Third Judicial District of the State of Nevada, in and for the County of Lander is issued subject to the terms, conditions and irrigation period imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.013 cubic feet per second or sufficient to water 400 cattle.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

May 24, 2011

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

May 24, 2013

Map in support of proof of beneficial use shall be filed on or before:
