DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

Applications 56426 and 56427, granted on November 19, 1991, are hereby rescinded; and Applications 56426 and 56427 are subsequently denied on the grounds that to grant a permit on lands that the applicant does not own or control, and were the applicant cannot demonstrate the ability to place the water to beneficial use, would be detrimental to the public interest.

Applications 57550 and 57551 are hereby granted under Exemption No. 3 of Amended Order 1054. No ruling is made on the validity of the protests.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be filed on or before

Proof of the application of water to beneficial use shall be filed on or before

Map in support of proof of beneficial use shall be filed on or before
