APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of a portion of the waters of an underground source as heretofore granted under Permit 38082 is issued subject to the terms and conditions imposed in said Permit 38082 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a weir or other type of measuring device at or near the well to facilitate the measurement and control of the water. If well is flowing, a valve must be installed and maintained to prevent waste. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The well must be sealed with cement grout, concrete grout or neat cement from ground level to 100 feet.

The total combined duty of water under Permits 56364 and 57420 and that portion of Proof 01802 appurtenant to the same place of use subject to regulation under the Pahranaagat Decree shall not exceed 75 acre-feet annually.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.11 cubic feet per second, and not to exceed a yearly duty of 5.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before September 23, 1993

Proof of completion of work shall be filed before October 23, 1993

Application of water to beneficial use shall be made on or before September 23, 1994

Proof of the application of water to beneficial use shall be filed on or before October 23, 1994

Map in support of proof of beneficial use shall be filed on or before October 23, 1994
