APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of the waters of Morris Creek as heretofore granted under Permit 55237 is issued subject to the terms and conditions imposed in said Permit 55237 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

If this permit is cancelled or withdrawn the water under this right will revert back to the source and not the base water right.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second, but not to exceed 640.0 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before August 12, 1998

Proof of completion of work shall be filed before September 12, 1998

Application of water to beneficial use shall be made on or before August 12, 2001

Proof of the application of water to beneficial use shall be filed on or before September 12, 2001

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed OCT 8 8 1998

Proof of beneficial use filed.....
