APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of an underground source as heretofore granted under Permit 24824 is issued subject to the terms and conditions imposed in said Permit 24824 and with the understanding that no other rights on the source will be affected by the change proposed herein. This permit is further issued subject to revocation if and when water can be furnished by an entity such as a water district or a municipality engaged in furnishing water. A totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

Monthly records shall be kept of the amount of water pumped from this well and the records submitted to the State Engineer on a quarterly basis within 15 days after the end of each calendar quarter.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.891 cubic feet per second, but not to exceed 143.97 million gallons per season.

Work must be prosecuted with reasonable diligence and be completed on or before June 28, 1994

Proof of completion of work shall be filed before July 28, 1994

Application of water to beneficial use shall be made on or before June 28, 1998

Proof of the application of water to beneficial use shall be filed on or before July 28, 1998

Map in support of proof of beneficial use shall be filed on or before N/A

SEP 27 1994

Completion of work filed
Proof of beneficial use filed
Cultural map filed
Certificate No. Issued

IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.,
State Engineer of Nevada, have hereunto set my hand and the seal of my
office, this 28th day of June
