APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of a portion of the waters of an underground source as heretofore granted under Permit 47688, Certificate 12827 is issued subject to the terms and conditions imposed in said Permit 47688, Certificate 12827 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening for measuring depth to water. If well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0094 cubic feet per second, or sufficient to water 300 head of cattle.

Work must be prosecuted with reasonable diligence and be completed on or before August 12, 1995

Proof of completion of work shall be filed before September 12, 1995

Application of water to beneficial use shall be made on or before August 12, 1996

Proof of the application of water to beneficial use shall be filed on or before September 12, 1996

Map in support of proof of beneficial use shall be filed on or before \_\_\_\_\_

Completion of work filed OCT 06 1995

Proof of beneficial use filed OCT 11 1996

Cultural map filed \_\_\_\_\_

Certificate No. 14588 Issued MAY 21 1997

IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.  
State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 12th day of August,

A.D. 1994
