APPROVAL
OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use and manner of use of a portion of the waters of Musgrove Creek and Tributaries as heretofore granted under Permit 50071, Certificate 12436 is issued subject to the terms and conditions imposed in said Permit 50071, Certificate 12436 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 59382, 59383, 59384 and 59385 shall not exceed 31.15 acre-feet annually.

A measuring device must be installed on Musgrove Creek prior to entering Washoe Lake at a location approved by the State Engineer. Monthly records shall be kept of the amount of Musgrove Creek water flowing into Washoe Lake and the amount pumped from the described point of diversion and the records submitted to the State Engineer on a quarterly basis within 15 days after the end of each calendar quarter. All surface waters shall be used for wildlife purposes prior to the use of any supplemental groundwater.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.181 cubic feet per second but not to exceed 31.15 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before November 4, 1995

Proof of completion of work shall be filed before December 4, 1995

Application of water to beneficial use shall be made on or before November 4, 1999

Proof of the application of water to beneficial use shall be filed on or before December 4, 1999

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed APR 12 2000

Proof of beneficial use filed DEC 29 2000
