(S) STATE ENGINEER

[Handwritten signature]

The proposed point of diversion under this application is for the same well as pending Application to Change 59116. This application is being filed in order to provide adequate diversion rate in the proposed well and changes supplemental water rights as outlined in the May 18, 1995, letter from the Division of Water Resources regarding 59108, etc.

Please use map on file at the Division of Water Resources in support of Application 59116 for the proposed point of diversion and place of use, and Proof of Beneficial Use map under Permit 23528 to support the existing point of diversion, existing place of use, and the area within the existing place of use to be removed from irrigation under this application.
