APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the place and manner of use of the waters of the Truckee and Carson Rivers as set forth under the Newlands Reclamation Project rights in the Truckee and Carson River final decrees is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit is expressly contingent on the payment of the operation and maintenance charges that are properly assessed and come due the same as if the water right were still appurtenant to the agricultural land from which it is transferred, pursuant to NRS 533.370, subsection 1 (b).

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on November 15, 1995 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 659.12 acre-feet cubic feet per second as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before
