Revised Description of area to be Stripped:

Re: Hodges Transportation, App. to Change

Steve:

As we discussed, I've changed the area to be stripped, and am returning the map. Also, enclosed, is a revised description of the area to be stripped. You had indicated that it would be best to attach this to the application as an addendum, rather than making out another application.

Thanks for your help, and let me know if there is anything more I need to do.

Sincerely:

Jack E. Randell PELS 5547
