APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place and manner of use of a portion of Permit 55103, which changed the place of use of a portion of Claims 102 and 103a of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein. Totalizing meters shall be installed on both the supply line to and the return line from the pond and measurements kept to the amount of water diverted and placed to beneficial use under this permit.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined diversion of water under Permits 61874 and 61926 shall not exceed 6.0 acre-feet as decreed.

This permit changes the manner of use and is subject to a reduction to 2.5 acre-feet per acre net consumptive use being 0.363 acre-feet as decreed.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.872 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

January 19, 2000

Proof of completion of work shall be filed before:

February 19, 2000

Application of water to beneficial use shall be filed on or before:
