Response to Item 15.

Applications to change point of diversion, manner of use and place of use for water appropriated under Permit No. 57922 (26.5 acre feet annually), Permit No. 57923 (3.3 acre feet annually) and Permit No. 57924 (.204 acre feet annually) are being filed concurrently. Total appropriation for the three applications, 30.004 acre feet annually, will be used for quasi-municipal and domestic purposes within Incline Village to support development of not to exceed 53 single family residences (500 gallons/day) or other land use features determined by the Incline Village General Improvement District to use not more than 30.004 acre feet of water annually.

See map on file with the Division of Water Resources supporting Permits No. 57922, 57923 and 57924 to identify existing place of use and point of diversion. Proposed place of use and point of diversion indicated on the map are the existing place of use and point of diversion for this application.

Please use maps on file with the Division of Water Resources under Application 40509 to identify the proposed point of diversion and Application 62044 to identify the proposed place of use.
