See Maps supporting Applications #61324, 62080, 62081, 62110, 63321, 63474, 63475, and 63476 on file with the Nevada State Engineer.

ITEM 12 REMARKS:

The purpose of this Application is to establish a second point of diversion for water permitted or applied for under Permits #61324, 62081, 62110, 63321, 63474, 63475 and 63476 and Application #62080. The Applicant proposes to construct a second well in order to have a reliable source of water available should an electrical, mechanical or other failure occur that would render the existing well inoperative. Millions of dollars have been invested in the construction of the golf Course and it is prudent water management to have a second source of supply available.

THIS APPLICATION DOES NOT SEEK TO APPROPRIATE ANY WATER OVER AND ABOVE THAT INCLUDED IN THE ABOVE CITED PERMITS AND APPLICATION.
