Map filed

The applicant Virgin Valley Water District, hereby make application for permission to change the Point of diversion, manner of use and place of use of water heretofore appropriated under Mesquite Irrigation Company, irrigation shares appropriated under the Virgin River decree, dated 14 May, 1927 and executed by District Judge Van E. Orr.

- 1. The source of water is Virgin River
2. The amount of water to be changed 2 shares = 14.48 AF
3. The water to be used for construction water for the Windmill Wash Flood Detention Reservoir.
4. The water heretofore permitted for irrigation
5. The water is to be diverted at the following point SE 1/4 NW 1/4 and SW 1/4 NE 1/4 of Section 26 T13S, R70E, MDM approximately 1,500 ft. south of the N 1/4 corner of said Section 26.
6. The existing permitted point of diversion is located within Mesquite Irrigation Co canal, near the south boundry line of NE 1/4 NE 1/4, Section 3, T39N, R16W, G&SRM in the State of Arizona
7. Proposed place of use NW 1/4 NW 1/4 of Section 36, T13S, R70E, MDM.
8. Existing place of use within the boundry of the Mesquite Irrigation Co. - Proof No. 01968.
9. Use will be from August 1, summer use to November 30, winter use of each year.
10. Use was permitted from March 1 to Oct. 1 to Oct. 1 to March 1. of each year.
11. Description of proposed works Excavate pump sump next to and above the high water mark of the Virgin River
12. Estimated cost of works \$10,000.00
13. Estimated time required to construct works 2 weeks
14. Estimated time required to complete the application of water to beneficial use 4 months
15. Remarks: The water will be used for construction purposes (soil compaction effort and dust control) for the construction of the Windmill Wash Flood Detention Reservoir in Bunkerville, Nevada. The need for water is anticipated to be four (4) months only.
