APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions.

This temporary permit to change the point of diversion and place of use of a portion of the waters of the Truckee River as heretofore granted under Claims 156, 157 and 159 Truckee River Final Decree is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein. A suitable measuring device must be installed and accurate measurements of water placed to beneficial use must be kept.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

Monthly records shall be kept of the amount of water diverted from this source and the records submitted to the State Engineer and Federal Water Master on a quarterly basis within 15 days after the end of each calendar quarter.

This temporary permit is issued for the irrigation of 1.64 acres within the described place of use.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on **March 20, 2004** at which time all rights herein granted shall revert to the right being changed by this temporary permit.

(CONTINUED ON PAGE 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.044 cubic feet per second, but not to exceed 7.355 acre-feet as decreed, but not to exceed a yearly duty of 4.5 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before:

Proof of completion of work shall be filed before:

Water must be placed to beneficial use on or before:

Proof of the application of water to beneficial use shall be filed on or before:

Map in support of proof of beneficial use shall be filed on or before:
