APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place and manner of use of a portion of the waters of Steamboat Creek as heretofore granted under Claim Nos. 700, 700.5 and 701 of the Truckee River Decree is subject to the terms and conditions imposed in said decree and with the understanding that no other right on the source will be affected by the change proposed herein. A suitable measuring device must be installed and accurate measurements of water placed to beneficial use must be kept.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

Measuring devices shall be designed and a monitoring plan shall be submitted to and approved by the State Engineer prior to filing the proof of completion of work. Furthermore, no return flow credit water for subdivisions will be approved from this permit until data supporting the use has been approved by this office. This permit is issued subject to the continuing jurisdiction and regulation by the Federal Water Master and the State Engineer.

By the issuance of this permit, the supplemental storage rights described under Truckee River Claim Nos. 660 and 668 can no longer be used at the existing place of use.

(CONTINUED ON PAGE 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.195 cubic feet per second, but not to exceed 35.89 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

September 23, 2007

Proof of completion of work shall be filed on or before:

October 23, 2007

Water must be placed to beneficial use on or before:

September 23, 2010

Proof of the application of water to beneficial use shall be filed on or before:

October 23, 2010

Map in support of proof of beneficial use shall be filed on or before:
