APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of a portion of Claim No's 223 and 225 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed the decreed duty of acre feet of land irrigated from any and all sources for the irrigation of 15.0 acres.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

September 8, 2010

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

September 8, 2010

Map in support of proof of beneficial use shall be filed on or before:

September 8, 2010
