APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of a portion of the waters of an underground source as heretofore granted under Permit 65222 is issued subject to the terms and conditions imposed in said Permit 65222 and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The well must be sealed with cement grout, concrete grout or neat cement from ground level to 100 feet.

The total combined duty of water under Permits 47608, 47609, 51330, Certificate 16076; Permits 53869, 65222 and 73883 shall not exceed 391.75 acre-feet annually.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.04 cubic feet per second or 30.19 acre-feet annually.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

May 20, 2008

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

May 20, 2009

Map in support of proof of beneficial use shall be filed on or before:

Question 15:

Please use the map filed under 65222 to show the existing point of diversion and the map filed under 47608 to show the proposed point of diversion and existing and proposed place of use (no change). The water will be used for various Quasi-Municipal purposes within the Bently Science Park. A portion of Permit 65222 and the well it is located in was sold to G. E. and this Application moves the portion of the Water Right still owned by the Bently Family Limited Partnership into a well serving the Science Park also covered under Permits 47608 and 53869.
