APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of Permit No. 64136 of the Carson River as heretofore granted under Claims 256 and 257 of the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

Permits 74510, 74511, 74512, 74513 and 74514 are limited to the irrigation of 974.475 acres within the proposed place of use.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed the decreed duty of acre-feet per acre of land irrigated from any and all sources for 74.085 acres.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

July 8, 2009

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

July 8, 2011

Map in support of proof of beneficial use shall be filed on or before:

July 8, 2011

IN TESTIMONY WHEREOF, I, TRACY TAYLOR, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 8th day of July, A.D. 2008
