APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same,
subject to the following limitations and conditions:

This temporary permit, to change the point of diversion, place and manner of use of the waters of
the Truckee River as heretofore granted under Permit 74120 which changed the point of diversion, place
and manner of use of a portion of Permit 27595, Certificate 9706, which changed the place of use of a
portion of Claim 75/75A, Truckee River Decree, is issued subject to the terms and conditions imposed in
said decree and with the understanding that no other rights on the source will be affected by the change
proposed herein. A suitable measuring device must be installed and accurate measurements of water
placed to beneficial use must be kept.

This temporary permit does not extend the permittee the right of ingress and egress on public,
private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain
other permits from State, Federal and local agencies.

This temporary permit is issued for the irrigation of 45.0 acres within the described place of use.

This temporary permit is subject to the continuing regulation of the Federal Water Master.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on
October 15, 2007 at which time all rights herein granted shall revert to the right being changed by this temporary
permit.

The point of diversion and place of use is as described under items 5 & 7 respectively on the
submitted application to support this permit.

The amount of water to be changed shall be limited to the amount which can be applied to
beneficial use, and not to exceed 0.628 cubic feet per second, but not to exceed 179.93 acre-feet as
decreed, and not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or
all sources.

Work must be prosecuted with reasonable diligence and proof of completion
of work shall be filed on or before:

N/A

Water must be placed to beneficial use and proof of the application of water to
beneficial use shall be filed on or before:

N/A

Map in support of proof of beneficial use shall be filed on or before:
