APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same,
subject to the following limitations and conditions:

This temporary permit to change the point of diversion and place of use of a portion of the waters of
an underground source as heretofore granted under Permit 55222, Certificate 13997, is issued subject to the
terms and conditions imposed in said Permit 55222, Certificate 13997, and with the understanding that no
other rights on the source will be affected by the change proposed herein. The well shall be equipped with a
2-inch opening for measuring depth to water. If well is flowing, a valve must be installed and maintained to
prevent waste. The State retains the right to regulate the use of water herein granted at any and all times but
does not take responsibility for the use of the Federal range.

This temporary permit does not extend the permittee the right of ingress and egress on public,
private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain
other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will
expire one year from the date of approval at which time all rights herein granted shall revert to the right
being changed by this temporary permit.

The point of diversion and place of use is as described under items 5 and 7 respectively on the
submitted application to support this permit.

The amount of water to be changed shall be limited to the amount which can be applied to
beneficial use, and not to exceed 0.00355 cubic feet per second, or sufficient to water 150 cattle.

Work must be prosecuted with reasonable diligence and proof of completion
of work shall be filed on or before:

N/A

Water must be placed to beneficial use and proof of the application of water to
beneficial use shall be filed on or before:

N/A

Map in support of proof of beneficial use shall be filed on or before:
