APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same,
subject to the following limitations and conditions:

This temporary permit to change the place of use of a portion of the waters of the Truckee and
Carson Rivers as set forth in the Truckee and Carson River final decrees and as set forth under Permit
68957 and portions of Permits 48865 and 47892 which changed the place of use of a portion of the
Newlands Reclamation Project rights in the Truckee and Carson River final decrees, is issued subject to the
terms and conditions imposed in said decrees and with the understanding that no other rights on the source
will be affected by the change proposed herein

This temporary permit does not extend the permittee the right of ingress and egress on public,
private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain
other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will
expire November 15, 2007 at which time all rights herein granted shall revert to the rights being changed
by this temporary permit.

The point of diversion and place of use is as described under items 5 and 7 respectively on the
submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to
beneficial use, and not to exceed 205.27 acre-feet as decreed.
