

THE STATE OF NEVADA

PERMIT TO CHANGE POINT OF DIVERSION, MANNER OF USE AND PLACE OF USE OF THE PUBLIC WATERS OF THE STATE OF NEVADA HERETOFORE APPROPRIATED

Name of applicant: UTILITIES INC OF CENTRAL NEVADA
Source: UNDERGROUND
Basin: PAHRUMP VALLEY
Manner of Use: MUNICIPAL
Period of Use: January 1st to December 31st
Priority Date: 03/20/1968

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place and manner of use of a portion of the waters of an underground source as heretofore granted under Permit 24413, Certificate 7629, is issued subject to the terms and conditions imposed in said Permit 24413, Certificate 7629 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 47265, 75228, 75880, and 75944, having the same point of diversion (UICN #22), shall not exceed 1.064 cubic feet per second and 241.51 acre-feet annually.

The total combined duty of water under Permits 38343, 45870, 45892, 45893, 45894, 45895, 45897, 46116, 46117, 46118, 46119, 46304, 46305, 46306, 46307, 46308, 46309, 46310, 46312, 46313, 46314, 46315, 46316, 46317, 46318, 46319, 46320, 46324, 46325, 46326, 46826, 46827, 47074, 47141, 47265, 48497, 49545, 50722, 50804, 50805, 51142, 52128, 52129, 52130, 52131, 52132, 52284, 52285, 52606, 52978, 54357, 54359, 54360, 54361, 55101, 55347, 57877, 57879, 57880, 58626, 58627, 58628, 58629, 58630, 58631, 58632, 58633, 58958, 58959, 60694, 60695, 61064, 61065, 61188, 61968, 61969, 62037, 62038, 62716, 62717, 62726, 62727, 62920, 63500, 63780, 64364, 64365, 64366, 64367, 64615, 65104, 65735, 66228, 66239, 66481, 66482, 66485, 66938, 68908, 69131, 70325, 70326, 70327, 71196, 71197, 71198, 71199, 71201, 71750, 71751, 71752, 71877, 71878, 72828, 73042, 74257, 74258, 74287, 74672, 74673, 74737, 74739, 74740, 74764, 75228, 75817, 75880, 75881, and 75944, with UICN owning all or portions and having the same place of use, shall not exceed 22,831.15 acre-feet annually.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

If any water under this permit is cancelled, withdrawn, or any water is not put to beneficial use, it will revert to the groundwater source and not back to the base water right.

Any dedication of water from this permit for residential service shall be allocated at the per lot or unit duty prescribed, by letter dated November 4, 2008, by the State Engineer. The State Engineer may amend this dedicated allocation based on evidence and supporting data.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.0113 cubic feet per second or 2.0 acre-feet annually.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

April 9, 2010

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

April 9, 2019

Map in support of proof of beneficial use shall be filed on or before:
