APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of a portion of the waters of an underground source as heretofore granted under Permit 17838, Certificate 5365 is issued subject to the terms and conditions imposed in said Permit 17838, Certificate 5365 and with the understanding that no other rights on the source will be affected by the change proposed herein.

A monthly report shall be submitted to the State Engineer within 10 days from the end of each month which shall include the amount of water pumped from the well and the amount of water used.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water from this well under Permits 68992 and 75975 shall not exceed 724 acre-feet annually.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.5 cubic feet per second or 362.0 acre-feet annually.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

March 24, 2008

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

December 12, 2017

Map in support of proof of beneficial use shall be filed on or before:
