**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the point of diversion of a portion of the waters of the Truckee River as heretofore granted under Claim 696, 696.5 and 697, Truckee River Decree, is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein. A suitable measuring device must be installed and accurate measurements of water placed to beneficial use must be kept.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is subject to the continuing jurisdiction and regulation of the Federal Water Master.

This permit is limited to the irrigation of 8.94 acres within the existing place of use and not to exceed an annual duty of 4.50 acre feet per acre of land irrigated from any and/or all sources.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.223 cubic feet per second or 40.23 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

January 25, 2011

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

January 25, 2013

Map in support of proof of beneficial use shall be filed on or before:

January 25, 2013

IN TESTIMONY WHEREOF, I, TRACY TAYLOR, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 25th day of January, A.D. 2010
