**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the manner and place of use of a portion of the waters of the Truckee River as set forth under Permit 73758 which changed the place of use and manner of use of a portion of Claim Number 3 in the Truckee River final decree, is issued subject to the terms and conditions imposed in said decree and permit and with the understanding that no other rights on the source will be affected by the change proposed herein

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

If the effect of granting this temporary permit does not have a neutral effect on the efficiency calculations under OCAP, adequate mitigation must be provided.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on **November 15, 2009** at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The point of diversion and place of use are as described on the submitted application to support this permit.
