This application is being filed to appropriate water from Red Mountain Creek. The proposed point of diversion is located at a point where water has been diverted historically for 100+ years. Water will be commingled with water from Cottonwood Creek, Rock Creek and Hot Springs for the irrigation of 2000 acres within the described place of use. The filing of this application does not waive the rights of applicant to any vested rights on the source under Proof 01274.

13. Miscellaneous remarks:

Original application to appropriate from Red Mountain Creek filed in 2000 (Application 65941). This application is being filed as a result of recent NV Supreme Court ruling affecting the status of water right applications filed prior to 2003.
