

THE STATE OF NEVADA

PERMIT TO CHANGE THE PUBLIC WATERS OF THE STATE OF NEVADA HERETOFORE APPROPRIATED

Name of Permittee: RESOURCE APPLICATION & DEVELOPMENT, LTD
Source: UNDERGROUND
Basin: TRUCKEE MEADOWS
Manner of Use: IRRIGATION
Period of Use: JANUARY 1ST TO DECEMBER 31ST
Priority Date: 02/03/1949

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the point of diversion and place of use of a portion of the waters of an underground source as heretofore granted under Permit 70253, is issued subject to the terms and conditions imposed in said Permit 70253, and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit for underground water is issued as a supplemental water supply to lands that have a surface water right from the Truckee River Decree under Claim 191 and underground water shall only be diverted to the extent that the surface water is not available. The total diversion of water for irrigation from any and all sources shall not exceed the duty of water for this place of use as set forth in the decree.

(Continued on Page 2)

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.005 cubic feet per second or 1.65 acre-feet annually and not to exceed 3.75 acre-feet per acre duty from any and/or all sources.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

July 11 2013

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

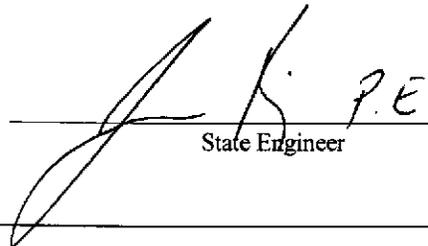

July 11 2014

Map in support of proof of beneficial use shall be filed on or before:

July 11 2014

IN TESTIMONY WHEREOF, I, JASON KING, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 11th day of July, A.D. 2011
