#### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined diversion rate and duty of water under Permits 55363, 55364, 55365, 79506, 79507, 79508, and 81057 shall not exceed 0.58 cubic feet per second and 377.92 acre-feet annually.

This permit is subject to the condition that the permittee must ensure that wildlife which has customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

It is understood that the amount of water herein granted is limited to the amount of water actually produced by the spring, and no rights in excess of that amount are implied or inferred.

The Permittee shall keep monthly records of spring flow and the records must be submitted to the State Engineer on an annual basis within 30 days after the end of each calendar year.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.08 cubic feet per second, but not to exceed 57.92 acre-feet annually.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

September 30 2014

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

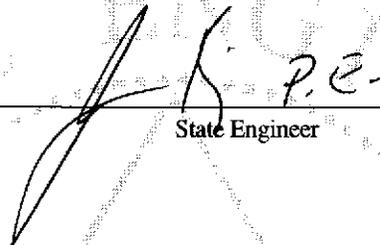

September 30 2018

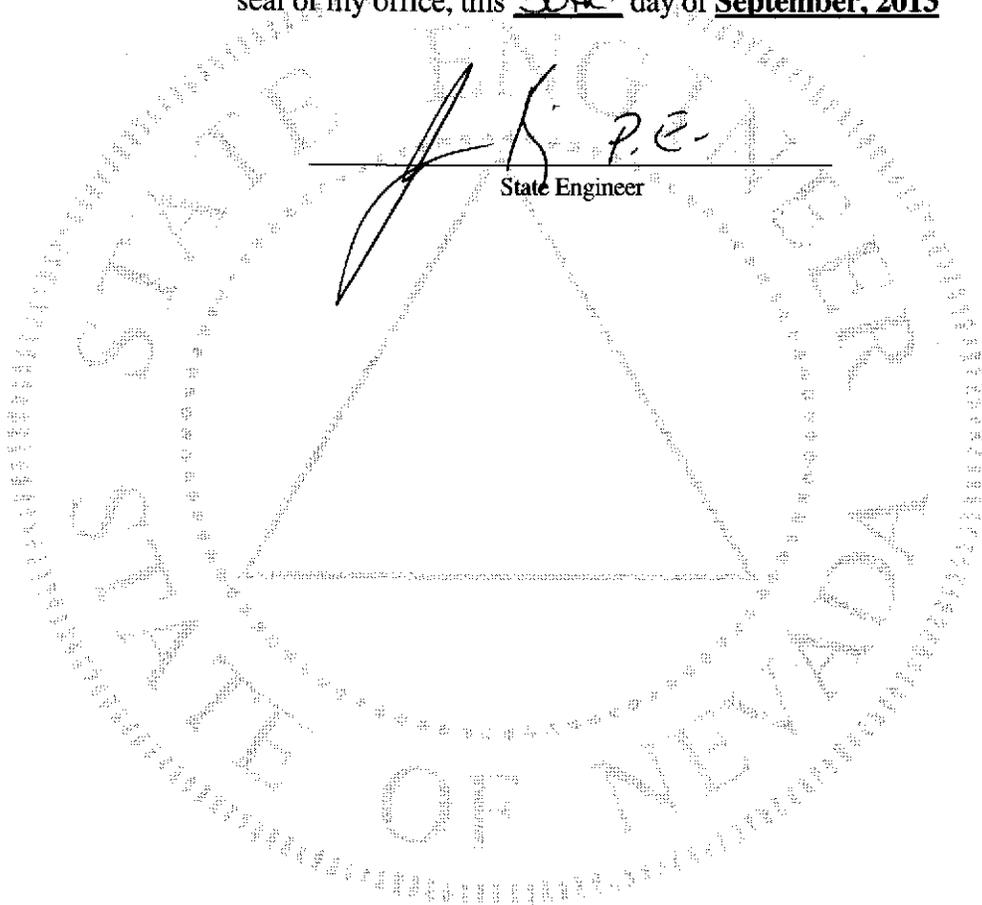

Map in support of proof of beneficial use shall be filed on or before:

September 30 2018
