APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the point of diversion, place and manner of use of the waters of The Humboldt River as heretofore appropriated under Proof DHR 00240 as appears in the Humboldt River Decree No. 2804 entered October 7, 1935, in the District Court of the Sixth Judicial District of the State of Nevada, in and for the County of Humboldt, is issued subject to the terms and conditions imposed in said Decree and with the understanding that no other rights on the source will be affected by the change proposed herein. A measuring device must be installed and measurements of water use kept.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Temporary Permits 82369T and 82370T shall not exceed 427.58 acre-feet seasonally.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire August 15, 2013, at which time all rights herein granted shall revert to the right being changed by this temporary permit.

(Continued on Page 2)

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 1.106 cubic feet per second or 229.21 acre-feet seasonally.**
