Water under this Application will be used for mining purposes, including mineral exploration, mine development, milling, mine construction, road construction, and dust suppression within the place of use. The use of this water will be within Eureka County and within the Pine Valley Hydrographic Basin. (Basin 053)

13. Miscellaneous remarks:

It is the intent of this Application to appropriate all of the currently unappropriated water in the Pine Valley Basin. The water sought to be appropriated may be required to address post mining required reclamation plans in the future. It is therefore requested that the permit under this application be permanent in nature and not limited to the life of the mine. The environmental analysis, review and permitting with other State and Federal agencies is ongoing.
