APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the point of diversion and place of use of waters of The Olevia Well Spring as heretofore granted under Permit 80994, is issued subject to the terms and conditions imposed in said Permit 80994 and with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 82816 and 82359 shall not exceed 17.92 acre-feet annually, sufficient to water 4,000 head of sheep.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.025 cubic feet per second or 10.61 acre-feet annually for watering 4,000 head of sheep.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:

April 23 2015

Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:

April 23 2017

Map in support of proof of beneficial use shall be filed on or before:
